Welcome, Please Sign In!

FIRST-TIME & EXISTING USER -

Please login with either your T-Mobile Employee ID (P#) without the prefix (Ex: 12345678). If you do not know this information, please check Workday. Note that as of 2021, CID#'s are transitioning to P#. If you are having trouble logging in with your CID#, please check to see if you have been assigned a P# in Workday and use that number to access your account.

P# (8-digits)

Employee Search

Employee P Number (This field is locked for editing):

FIND

Once you submit the request, your update will be immediately viewable on your roster. Clicking on “Employee Roster” will display all of the employees assigned to your store and will allow you to set their size and style preferences as well as their badge preferences.

Create Request

This employee's current information in the Magenta Uniforms system is displayed below. You can indicate a change in their current profile as follows:

- Change in "Position" or Job Title
- Transfer to a "New Store"
- Order a "Replacement Badge"

Any of the above changes will be processed automatically and changes will be reflected in Magenta Uniforms within 24 hours. Please note, these changes are not made permanent until after the official T-Mobile employee records are updated, which may take up to two weeks to process.

You will receive an email confirmation once your request has been processed.

Any data provided here will not update official T-Mobile HR records. Store Operations Support may correct the submitted request.
